New International Payment Features

International students now have the ability to pay with Flywire using the Make a Payment link in Student Center. After logging in and choosing "Go to My Student Center", click on the Make a Payment link. You will have the option to pay by electronic check (US bank account) or International Payment via Flywire. The process to make a payment through Flywire will not change. If you have questions on making international payments via Flywire, visit our [International Bank Payments](#) website, or contact student.accounts@uni.edu.

International Communication Opportunity

Professor Victoria DeFrancisco invites international students to partner with US students in her intercultural communication course this spring to meet approximately once a week for an hour to have conversation, share cultural resource information, and hopefully build friendships. The students in her class will be writing papers about their experience. No other requirement is expected of the international students outside her class. The class meets from 11-12:15 on Tuesday/Thursday and international students are invited to visit if they wish. If you choose to participate, it will be important to commit for the whole semester as this could adversely affect another student's grades. If you have any questions or you would like to participate, please feel free to contact Dr. DeFrancisco directly: defran@uni.edu

IMMIGRATION

Optional Practical Training (OPT) for Eligible F-1 Students

If you hold F-1 status and you are planning to graduate in December 2019, now is the perfect time to think about applying for Optional Practical Training as you are probably eligible for this 12 month period of employment authorization within the U.S. See our web site for more information about [OPT](#).

Maintaining US Immigration Status

International students are responsible for **maintaining their U.S. immigration statuses**, and an important part of this is **always having a valid, unexpired I-20 or DS-2019 form**. We recommend that F-1 students check the "Program of Study" section near the center of their I-20 forms once per month to make sure they do not study past the program end date indicated in that section. J-1 students should always be aware of their DS-2019 form validity dates in section 3. Page 3 of all I-20 forms specifies that "If you cannot complete the educational program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before program end date to request an extension." Ross Schupbach is your Principal DSO, and he is always happy to help when students need extensions.
